

PINK SLIP NOTICE!

If this is YOU?

Be advised I intend to vote to terminate your position as a member of Congress, at the next election.

I CAN NOT afford your out of control spending and liberal policies!

Is this you?

If you think your Congressional leadership and the agenda of the President is more important than the will of your constituents, you are mistaken.

We want LESS Government, LOWER taxes, NO handouts, NO PORK and NO " earmarks".

The deficit is INSANITY. I am sick of you reaching into MY wallet and throwing MY money around like confetti.

You can't stop waste and abuse in Medicare yet you expect me to allow you to take over healthcare? NO NO NO!!

Failed to secure the border
Failed to enforce immigration
failed to read the wasted stimulus fund bill.
Failed to stop pork spending
Allowed cap and tax to pass

Failed to stop Medicare waste
CREATED the financial mess
Allowed obamacare to continue
Allowed the "cash for clunkers" waste
Taking pork bribes for votes
